WHAT YOU WILL PAY FOR MY SERVICES

As your adviser I will be paid by you for the advice I give you both initially and ongoing.

You will not incur any fees until we have agreed what they will be.

The section below sets out the fees for the initial advice I offer. Once I have a better understanding of your situation, I will go through the fee structure and be able to give you the actual fee amount that will apply to you.

We will act as the intermediary between the product provider(s) and you with a view to arranging the purchase of the Retail Investment Products as we have agreed.

Unless otherwise explained, the fees below will cover a full advice process:

- Understanding your current situation
- Identifying your objectives
- Interpreting your attitude to risk
- Research to identify suitable solutions
- Documenting our recommendations
- Implementing the agreed solutions.

Fees for the design, production and implementation of a financial strategy are calculated as follows:

INITIAL FEES

Percentage of amount invested in respect of lump sum investments and single premium pensions

All investments, no matter how small, require a certain amount of work. Therefore, the fee will typically be higher, as a percentage of the amount invested, for smaller investments, when compared to larger ones.

Larger investments are more likely to have an impact on areas such as taxation (for example, Income Tax, Capital Gains Tax, Inheritance Tax) as well as welfare entitlements.

So, while there is more work involved, we reduce the percentages that apply in a tapering scale. Which means the percentage will be lower when compared to smaller investments.

The fee is calculated according to the size of the transaction. On the following page you will find examples of how we calculate our fee:

Initial fees explained:

When our work involves investing a lump sum of money, our fees are:

- 3.5% on the first £149,999,
- 3.0% on the next £100,000,
- 2.0% on the next £150,000,
- 1.0% on the next £350,000, and
- 0.5% on any balance

- Our typical fee for an investment of £75,000 would be £2,625, which is 3.50% of sum invested.
- Our typical fee for an investment of £500,000 would be £12,250, which is 2.45% of sum invested.
- Our typical fee for an investment of £1,000,000 would be £16,000, which is 1.60% of sum invested.

For new clients, the above fees are subject to a minimum fee of £1,757.

Or explained another way...

Tiers		Fee %
From	To	
£0	£149,999	3.50%
£150,000	£249,999	3.00%
£250,000	£399,999	2.00%
£400,000	£749,999	1.00%
£750,000	The remainder	0.50%

Regular contributions

Should you invest through regular contributions (e.g., on a monthly basis), our fees are as follows:

- A flat fee of £750 per plan
- Where a household member also starts regular contributions, the fee is reduced from £1,500 (i.e., £750 + £750) to a flat fee of £1,200.
- These fees apply to new and existing plans

This fee may be payable from the fund, paid direct by you, or taken as a deduction from each monthly contribution over 12 months.

The fees outlined above are raised when the investment is made, and it is likely that no VAT is due on these fees.

If you ask us to stop work after agreeing to these fees you will be invoiced a minimum fee of £700.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

Minimum fees & VAT

The fees outlined above are raised when the investment is made, and it is likely that no VAT is due on these fees.

Any variation to this amount will be confirmed in writing to you before proceeding further. This may be for example for larger or more complex loans, OR where your personal situation is more complex regarding income sources, taxation, residence and credit rating, OR during an interim period where you may have joined us as a client due to a merger or acquisition of your previous advice firm.

If you ask us to stop work after agreeing to these fees you will be invoiced a minimum fee of £750.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

Existing client loyalty scheme

We are committed to treating clients fairly. Our research has shown that the time it takes to work with a new client is longer than an existing client. This is mainly related to getting to know them in order to advise them comprehensively.

To reflect that and to reward the loyalty of our existing clients, we offer the following:

1. Reductions on initial advice/implementation fees by aggregating existing and proposed monies together

We combine (a) the value of the investments you already have with us, with (b) any proposed new monies. We choose to do this as we offer comprehensive advice to all our clients, and this way we reduce the errors associated with viewing things in isolation.

You gain by potentially reducing the amount of initial fees you pay, as the more you have with us, the lower the initial fee.

2. The removal of minimum fee levels for implementation and ongoing fees for existing clients.

For example, if you wish to add another £100,000 to your investments, then the standard fee payable is 3.5% of £100,000 which equals £3,500 (see standard fees section).

However, let's see how that works in three separate scenarios on the following page:

Scenario A

You already hold £250,000 with us, so the additional £100,000 moves into the fee tier above, and now attracts a reduced fee of 2.93% of £100,000 which equals £2,929 instead of £3,500 (a saving of £571).

Scenario B

You already hold £500,000 with us, so the additional £100,000 moves into the fee tier above, and now attracts a reduced fee of 2.21% of £100,000 which equals £2,208 instead of £3,500 (a saving of £1,292)

Scenario C

You already hold £1,000,000 with us, so the additional £100,000 moves into the fee tier above, and now attracts a reduced fee of 1.50% of £100,000 which equals £1,500 instead of £3,500 (a saving of £2,000).

An existing client is defined as:

- A client who has affected a plan where we have received ongoing income (trail commission or fee) in the previous 12 months, or a client who has implemented mortgage business with one of our advisers in the last 3 years.

Family member scheme

Retaining your wealth and ensuring it is passed on as ethically as possible to the right people at the right time is key for all our clients. To help facilitate that it is beneficial to know as much about your family unit that is appropriate to your circumstances so that we can help at that critical time.

To assist with this, we also offer discounts on the first implementation fees for family members of 12.5%, and minimum fees will not apply on implementation or ongoing service fees. Thereafter, the existing client loyalty scheme will apply to them.

A family member includes a client's parents, spouses, siblings, children, grandparents and grandchildren, whether connected by birth, adoption, guardianship, marriage, civil partnership or cohabitation.

Professional adviser referral scheme

We believe it is in your interests that your professional advisers (for example, from solicitor or accountant) are in communication with us and are offering integrated advice. Additionally, this serves to save an element of marketing costs for our firm, and we wish to pass this onto you.

If you come to us from a professional introducer with whom we have an established introducer agreement there is a discount on implementation fees of 12.5%. Thereafter, the existing client loyalty scheme will apply to you.

Advising on 'Defined Benefit Pension transfers' and 'Safeguarded Rights'

We offer two advisory services in connection with this complex area of advice, both of which will incur an advice fee irrespective of whether a transfer of benefits is recommended. Both services are charged for separately:

- **Abridged advice** – Abridged advice – this is a lower cost service which will only determine if a transfer/conversion is either unsuitable, or that it's not possible to make a conclusive recommendation on the information provided. This service still requires an extensive discovery meeting. We charge a fixed fee of £750.00 plus VAT payable on receipt of our written report. If you proceed to full advice the cost of abridged advice (excluding VAT) will be discounted from the full advice fee.
- **Full advice** – this service includes detailed analysis of your existing arrangements, cash flow modelling where relevant, and alternatives for funding your retirement lifestyle. A recommendation will be made either to transfer/convert, or to retain your benefits in their current form. Our fees for this service are aligned to our normal investment advice fees. For Defined Benefit advice there is also a minimum advice fee of £5,000. Where a transfer is recommended and arranged, it will be possible to facilitate the advice fee through the new pension scheme. Where we recommend you retain your existing benefits you will need to be able to settle the fee from your other sources and VAT will also be payable*. **Be sure you have sufficient funds to pay our fee before commencing Defined Benefit Pension Transfer advice.**

*In **very** limited circumstances it may be possible to provide advice where the fee is only due where a transfer takes place.

Where a recommendation has been given to retain benefits under abridged advice, full advice cannot be offered. We do not facilitate transactions against our recommendations in either our abridged or full advice services.

ONGOING SERVICE & FEES

Set out below are the detailed elements for the indicative levels of ongoing service that we deliver to our clients. You can if you wish to, add, or enhance levels of service with your adviser if you feel appropriate. Our fees for these services can be seen below:

Exclusive

Where client's portfolios grow in terms of value, and potentially complexity, these need to be managed and reviewed appropriately. Building on our annual review services, this offering has more frequent ongoing advice meetings and opportunities to ensure clients are kept informed of performance, and plans maintained in line with client's circumstances and objectives. This may well include consultations with other specialist advisers.

Established

A comprehensive service aimed at initial analysis, recommendation, and implementation in line with a client's immediate needs. With ongoing advice meetings and recommendations, this is a service to adapt to a client's changing needs and circumstances.

Essential

A straightforward advice service typically centred on immediate client issues and needs that require initial analysis and recommendations. With ongoing advice meetings delivered remotely and via advisory updates, this still brings client awareness and peace of mind.

At an ongoing advice meeting, we will cover:

- Assessment of personal circumstances
- Review of your goals & objectives
- Reassessment of your attitude to investment risk/return & market sectors (asset allocation)
- Review of investment performance & holdings
- Valuations & investment commentary
- Where appropriate, recommendations in order to keep your (new/existing*) plans in line with your objectives

(*Advice on new investments/savings will be subject to our 'initial fees' as shown under our 'What You Will Pay For My Services' section earlier.)

Service will include recommending changes to existing investments to help meet your goals at an acceptable level of investment risk, providing fund analysis and valuations and a wide range of associated ad hoc services.

All service levels include an ongoing advice meeting, it is simply the style and frequency that alters as shown in the table overleaf:

Please note that as the fee is based on the investment value, the actual amount we receive will increase (or decrease) in proportion to any increase (or decrease) in the value of your portfolio.

For amounts above £1,500,000, we reduce the ongoing fee by 5% in tiers of £1,000,000. For example:

- For funds between £1,500,000 and £2,500,000 the fee for the total is 0.67% (0.71% - 5%)
- For funds between £2,500,000 and £3,500,000 the fee for the total is 0.64% (0.67% - 5%)
- For funds between £3,500,000 and £4,500,000 the fee for the total is 0.61% (0.64% - 5%)
...and so on.

Alternatively, for clients and their families with more complex financial arrangements likely to need a range of support services over time such as IHT planning, remortgaging, taking retirement benefits over time and regular cash flow monitoring, we may agree a monthly retainer that reflects the service required, paid by standing order or direct debit. A typical fee will be £200 per month. Details are available on request.

Examples of Ongoing Fees

If we look after you via our **Exclusive** service (as detailed above) & your investments are valued at £1,000,000, our fee is 0.71%. Therefore, the annual payment to us will be £7,100.

If we look after you via our **Established** service (as detailed above) & your investments are valued at £250,000, our fee is 0.75%. Therefore, the annual payment to us will be £1,875.

If we look after you via our **Essential** service (as detailed above) & your investments are valued at £100,000, our fee is 0.97%. Therefore, the annual payment to us will be £970.

The elements that make up your ongoing servicing package are subject to alteration. I will notify you in advance and in writing if any of these aspects change.

Impact Of Fees

When you make an investment there will be costs involved which will impact on your investment returns. These costs will typically comprise of the platform charge, the fund managers charge and our advice fee. As a typical example these charges may amount to 2.5% a year, so your investment return will be reduced by this amount each year. Your personalised illustration will clearly show the actual costs that will apply to your investment.

Investment Fees - Ad-hoc / Where no Ongoing Service in place

If you do not wish to subscribe to an on-going service, we provide many services on an 'ad-hoc' basis. Should you require any services as noted below, or bespoke work to be carried out, we will be able to tailor a specific service. Please note that implementation fees are in addition to the examples shown below.

An additional fee may be required, typically calculated in accordance with our hourly rates, as shown at the bottom of the table below.

Prior to any work being agreed and carried out we will give an indication of the approximate amount of time that these tasks might take. These additional fees might be paid by single payment (e.g. by cheque), charged from your investment plan(s) or via regular monthly retainer payments (e.g. standing order).

Fees will depend on individual circumstances, but are typically:

Face to face meeting to review your financial planning, confirm your existing provisions, and identify areas of need and/or concern	£1,250
Advice and recommendation to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution)	£1,250
Citrus 'Cashflow planning' report	£997
Additional research fee per existing pension scheme	£297
Advice on withdrawing money from your retirement funds	£750
Regulatory & taxation updates	£49
Annual valuation	£250
Annual risk profile questionnaire	£350
Annual telephone advisory update	£500
Additional reviews per session	£500
Additional cost per hour if additional work is required for complex cases	£200
Implementation fees	Standard fees

For example, a client wishes to invest £100,000 and does not wish to be part of our ongoing advice services. The fees from the table that would typically apply are:

'Face to face meeting' to review your financial planning, confirm your existing provisions, and identify areas of need and/or concern = £1,250 plus 'Advice and recommendation' to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution) = £1,250 plus

Implementation fees will also apply as per the standard fees (e.g. 3.5% of £100,000) = £3,500

Total fee = £1250 + £1250 + £3,500 = £6,000

Please note that these services on their own are likely to attract Valued Added Tax (VAT), in accordance with current HMRC (Her Majesty's Revenue and Customs) guidelines.

Where any of the above services are included in an ongoing service option, you will not be charged separately for these services.

MORTGAGE & PROTECTION - ONGOING SERVICES & FEES

Set out below are the details for the ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the mortgage lender or insurance provider at inception of your mortgage or protection plans.

1. Communication

In order to provide you with a high-quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you.

2. Protection

It is important to ensure your current protection plans and provisions remain in line with your requirements, which may change over time.

3. Mortgages

If we do not review your borrowing, you may end up paying more than you need to for your loans. We aim to contact you before any special terms of your mortgage expire. We encourage you to contact us should your financial circumstances change in the meantime.

We will make reasonable endeavours to contact you. Please be aware that should we not be able to review your mortgage before the end of any special term, this may result in you paying considerably more for your loan.

Unregulated Mortgages

It is important to point out that not all mortgage loans and services are regulated by the Financial Conduct Authority. Some of the advice and services we provide may relate to loans which are either unregulated or have limited consumer protection.

We will confirm to you if any product we are recommending is not regulated by the FCA.

You should note that if we are arranging a "Buy-to-Let" mortgage for you, it is very important to understand that very few Buy-to-Let mortgages are regulated by the Financial Conduct Authority (FCA).

Client Classification Levels For Your Protection

The FCA has rules which affect the rights you have as a client. In our dealings with you we will be representing you as the client.

By default, we categorise all of our individual clients as 'retail' clients. The range of financial products and investments we recommend are tailored to meet the needs of retail clients. As a retail client, you will have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other client categorisations that don't have these rights. These are "professional" clients and "eligible counterparties".

You may have the right to be categorised as a professional client and revoke your retail client status on request. Should you feel you have the skills, knowledge and experience to be a professional client and don't wish to have the same protection afforded to retail clients (as explained above), please let me know and we will complete the forms necessary to re-categorise you.

If you have any questions regarding your categorisation (e.g. if you are a large company), please write to Quilter Financial Planning Ltd Compliance Department, Quilter Financial Planning Limited, Riverside House, The Waterfront, Newcastle upon Tyne, NE15 8NY or using the contact details above.

Client Money Peace Of Mind

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service fees. Our preferred method of payment is via bank transfer.

Your Duty of Disclosure

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g., an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

Client Risk

The value of investments can fall as well as rise. You may get back less than you originally invested. The price of investments that we recommend to you may depend on fluctuations in financial markets or other economic factors that are beyond our control. The past performance of an investment or product is not a reliable indicator of future results. You should therefore carefully consider all investment/product decisions.

Any specific warnings relevant to particular investments, investment strategies, or products will be provided to you in your Suitability Advice Report and/or your Demands and Needs Statement collectively (Written Advice).

Investment, Mortgage and Protection Advice and Recommendations Scope

Any investment, mortgage, or protection advice your adviser provides will be based on your personal financial circumstances and objectives. We will confirm these and the reasons for any recommendation in your Written Advice

If you have asked for any restrictions on the types of investment or the markets you wish to invest in, these will be confirmed in your Written Advice. We will always make it clear when products are not within the 'regulated' scope and advise you of your rights.

Paying For Advised Services

Where payments are facilitated through a product, this will impact the actual amount remaining invested. Payment of the initial Advice and Ongoing Service fees facilitated by the relevant Product Providers or Platform administrators will be as a percentage of contributions invested or of the value of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash equivalent amount will vary depending on the value at the time.

Providers/Platform administrators will detail the specific process they operate to facilitate a fee in their literature. If you opt to pay the Adviser Charge directly (not through a product) an invoice will also be provided,

which must be settled within 14 days of issue (we reserve the right to charge interest on late payments at a rate of 3% above Bank base rate).

Full details of the final Advice will be provided in the Suitability Advice Report. Full details of any future Service fee will be provided either in the Suitability Advice Report or 'Authority to Proceed' document prepared for you by your Adviser. You may also be asked to sign and return a copy of the Authority to Proceed document to confirm your understanding and acceptance of the arrangements.

Other costs, including taxes, related to transactions may arise that are not paid via us or imposed by us. For further details on how to pay for our services, please read the "Guide to Our Services". There are no additional charges for our services for using a means of distance communication.

Implementing Investment Solutions

As with most investments there is a risk of loss, especially in the short-term (over periods of less than five years). If you need access to your money in the very short-term, then holding it in a risk-free bank account could be the right course of action. We will discuss these options with you, as well as providing a detailed Suitability Advice Report for you to read in your own time, before we implement our recommendations. This will help ensure you understand the advice you have been given. Of course, if you have any questions, we will be happy to help. You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.

When we arrange an investment for you it will typically be made into a collective investment fund. These funds have a range of different investment strategies so we will recommend one that aligns with your attitude to risk and the period of time you wish to invest for.

These funds will typically be bought via an investment platform that we recommend for you. Once we have completed the advice process the investment will be made for you in a timely manner, and in accordance with our Best Execution Policy. For example, for the majority of collective investments, they will be bought or sold at the next Valuation Point (typically 12.00 Midday) the next business day, after the instruction has been received by the platform.

Once we have agreed on an appropriate solution, we will provide you with full details of the investment fund, platform, and all associated costs.

Cancellation / Termination of Authority

You can cancel these terms of business at any time without penalty. This will not affect any outstanding transactions being carried out on your behalf and you may still have to pay a fee to us – see Investment Advice Refunds below.

To cancel these terms of business you should notify us using the contact details on the page 18.

The Ongoing Service fee or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details provided on page 18. These methods ensure we have an audit trail for your instruction. You will be responsible for cancelling any instructions from your bank. If the fee is being taken from your investments, we will endeavour to instruct the Provider, Platform or DFM to stop the fee within 5 working days of receiving your instructions and refund any over payment if we are unable to meet this commitment.

You may ask us for an updated estimate of your advice fee at any time and you may ask us not to exceed a given amount without checking with you first.

Investment Advice Refunds

Our standard policy is that in circumstances where this agreement is terminated, a recommendation is not followed through to implementation, or a product arranged is cancelled at any time, no refunds will be given, and all work undertaken will be billable and due. Please note that this does not affect your statutory rights or ability to complain.

If you cancel your investment(s) in the cooling off period or stop regular contribution payments the fee will no longer be due unless a minimum fee is stated in this Terms of Business and your Adviser Charging Agreement/Authority to Proceed.

Language

Unless agreed by us at outset all communication will be completed in English. We will communicate in a manner that is convenient to you, this could include Face-to-Face meetings, Post, E-mail and by telephone using the contact details on page 18.

Location of Advice

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any location (outside the UK).

Timing of Written Advice

Financial Planning: I will send you a Suitability Advice Report setting out the reasons for my recommendation at the time of my recommendation and where applicable before implementing any advice that I have recommended.

Mortgage Advice: I will send you a Suitability Advice Report setting out the reasons for my recommendation within 15 days of making that recommendation.

Protection Advice: I will send you a Demands and Needs statement setting out the reasons for my recommendation, before the policy starts. If I am advising you by telephone, and the policy starts on the same day the Demands and Needs statement will be sent by the end of the next working day.

VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser fee made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

The adviser fee made for an ongoing service is also VAT free provided it is in respect of an intermediation service. This means activities such as topping up an investment or utilising available investment tax allowances, such as the ISA allowance. In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g., we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

However, where a Discretionary Fund Manager (DFM) forms part of a solution, then VAT may become chargeable.

Declaration of Other Interests

To ensure that client interests are always put first, we operate a robust Conflict of Interest and Inducements Policy. If a potential conflict of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly. If we feel that our interests conflict with yours, you will be contacted, and we will obtain your consent to proceed. Our full conflict of interest policy is available on request.

Minor Non-Monetary Benefits

We are not able to receive or retain any inducements from a product provider. Should we receive any additional fee, commission or monetary or non-monetary benefit as a result of a recommendation made to you, we will return this to the product provider or transfer it to you (as appropriate) and attempt to stop further payments or inducements being received.

Our Ownership

Quilter Financial Services Ltd and Quilter Mortgage Planning Ltd are part of the Quilter Group. The Quilter Group of companies offers a range of pension, protection and investment solutions through both a UK and International platform. This may give rise to a potential conflict of interest where a company within Quilter Group has a suitable solution for your needs. If such a situation occurs, I will ensure that my recommendation is the best execution of your needs. I will also highlight the potential conflict of interest at the time of making the recommendation.

Our responsibilities include but are not limited to verifying the identity and address of our clients and any third-party making payments on their behalf. If required, you must supply proof of your identity in accordance with the above Regulations. This footprint is not visible to other financial service providers and does not affect your credit rating in anyway. In accordance with the Data Protection Act 2018 acceptance of these terms and conditions represents your permission for us to access this information.

Financial Services Compensation Scheme (FSCS) Current limits

We are covered by the FSCS. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. i.e. it differs for investments, insurance, mortgages and bank accounts.

Further information about compensation scheme arrangements including the conditions governing compensation and the formalities which must be completed to obtain compensation is available from the FSCS via its website at www.fscs.org.uk
